QUALITY POLICY STATEMENT

Eugene Harrington Marketing Ltd is committed to carry out all activities to the total satisfaction of our customers and in accordance with all relevant legislation and other regulations and requirements to which the company subscribes. Our activities are defined as: -

“The provision of health and personal protective equipment, traffic management systems, clothing and tools to the construction and associated industries.”

To achieve this, EHM supports a fully integrated management system for which, ultimate responsibility is taken by the Commercial Director. The Directors shall establish, implement, and maintain a quality policy that:

- EHM will supply only safety equipment and/or related services that fully comply with the standards and regulations and claims made relating to those products and/or related services. Where appropriate, this company will maintain up to date technical files and associated documentation to ensure that regulatory compliance information can be supplied upon request.
- Where products are sourced from external organisations which hold technical files relating to the products being offered, this company will request confirmation that these files are current, complete, contain appropriate conformity assessment information and, where relevant, regulatory compliance certificates and will take all necessary steps to confirm the validity of the compliance documentation held by that external supplier in respect of the products being sourced.
- Provides a framework for setting quality objectives.
- Includes a commitment to continual improvement of the quality management system.
- Ensuring that this policy is communicated, understood, implemented, and maintained at all levels in the organisation, and is available for interested parties.
- Where services are provided related to safety equipment sourced from external organisations, this company will maintain approval from the manufacturer that the services provided are assessed and approved by the external organisation.
- Be available and be maintained as documented information.

The company and its staff will adhere to this policy and seek to enhance the company's reputation within the industry ensuring the very best in service and quality and by so doing, build successful and profitable business relationships.

The company and its staff will also ensure that corrective action is taken to help prevent problems occurring and if they do, ensure all corrective actions are recorded and assessed to assist with the prevention of future problems. Changes to any of the company's activities or areas of operation will be planned and undertaken within the framework of the Management System.
