## HUMAN TRAFFICKING AND SLAVERY POLICY STATEMENT

EUGENE HARRINGTON MARKETING LTD acknowledge the provisions of the Modern Slavery Act 2015 and will ensure that all their suppliers of goods and services are completely transparent, fully aware of and actively complying with the requirements of the Act.

EHM are confident within its Ethical Auditing system based in the ETI base code and that due diligence is prioritised within slavery and human trafficking.

We achieve this by:

- Evaluation of our supply chain and their processes
- Purchasing from reputable companies and organisations
- Refusing to trade with any business or organisation we believe are involved in such practises

The Company takes full responsibility for implementing this policy and its objectives, and this policy will be reviewed by EHM Directors.
